

TEXAS DEPARTMENT OF PUBLIC SAFETY
Cancellation of Private Security Act License/Registration

Last Name	First Name	Middle Name	LAST FOUR SSN:

Due to legislative reorganization, the Texas Department of Public Safety now is responsible for enforcement, licensing and other regulatory duties under the **Private Security Act**. This act regulates private security industries in Texas. Department policy requires that new employees relinquish, at the time of hire, any license/registration they hold that are issued under the Private Security Act and requires that they not seek any such license/registration while employed at the Department. Department policy also prohibits employees from engaging in secondary employment in this industry.
